

TIMBER LEGALITY VERIFICATION BODY IN TIMBER LEGALITY VERIFICATION PROCESS

Presented by:

BONEANTO ANANTA KAHAR

VICE PRESIDENT

PT SUCOFINDO SBU SUCOFINDO INTERNATIONAL CERTIFICATION SERVICE

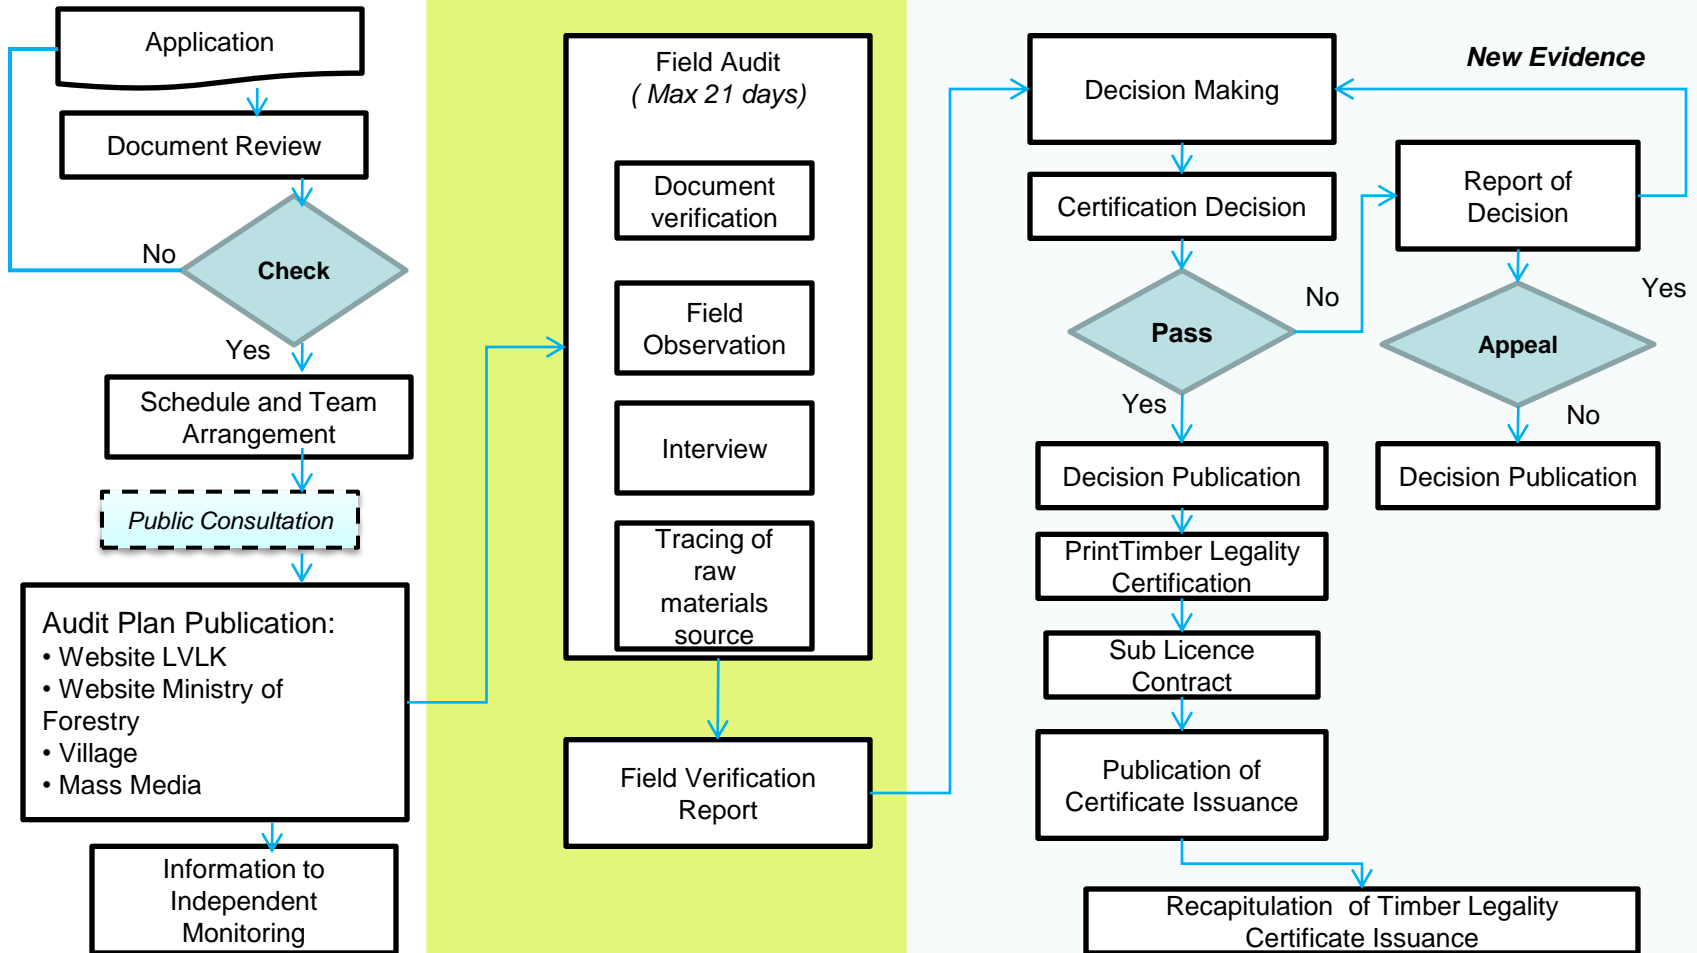

- LVLK is an accredited institution by the National Accreditation Committee of Republic Indonesia and established by Ministry of Forestry.
- Accreditation awarded by the National Accreditation Committee of Republic Indonesia is valid for 4 years and performed surveillance every year, followed by direct supervision during verification.

- LVLK can be accredited for more than one scope verification object.
- Verification scopes are Forest Management Unit (IUPHHK–HA/HT, IPK, Right of Management, State Forest Managed by Society), Private Forest, Primary and Secondary Industries, Small Industries (TDI), Craftsmen Industries, Registered Timber Shelter.

- LVLK implement Timber Legality certification based on ISO / IEC 17065:2012 (formerly ISO / IEC GUIDE 65) and the guidelines stipulated in the regulations by the Ministry of Forestry
- In Timber Legality Verification process, Independent Monitoring actively contribute on monitoring so that the system works fully independent, transparent and accountable.

TIMBER LEGALITY VERIFICATION PROCESS

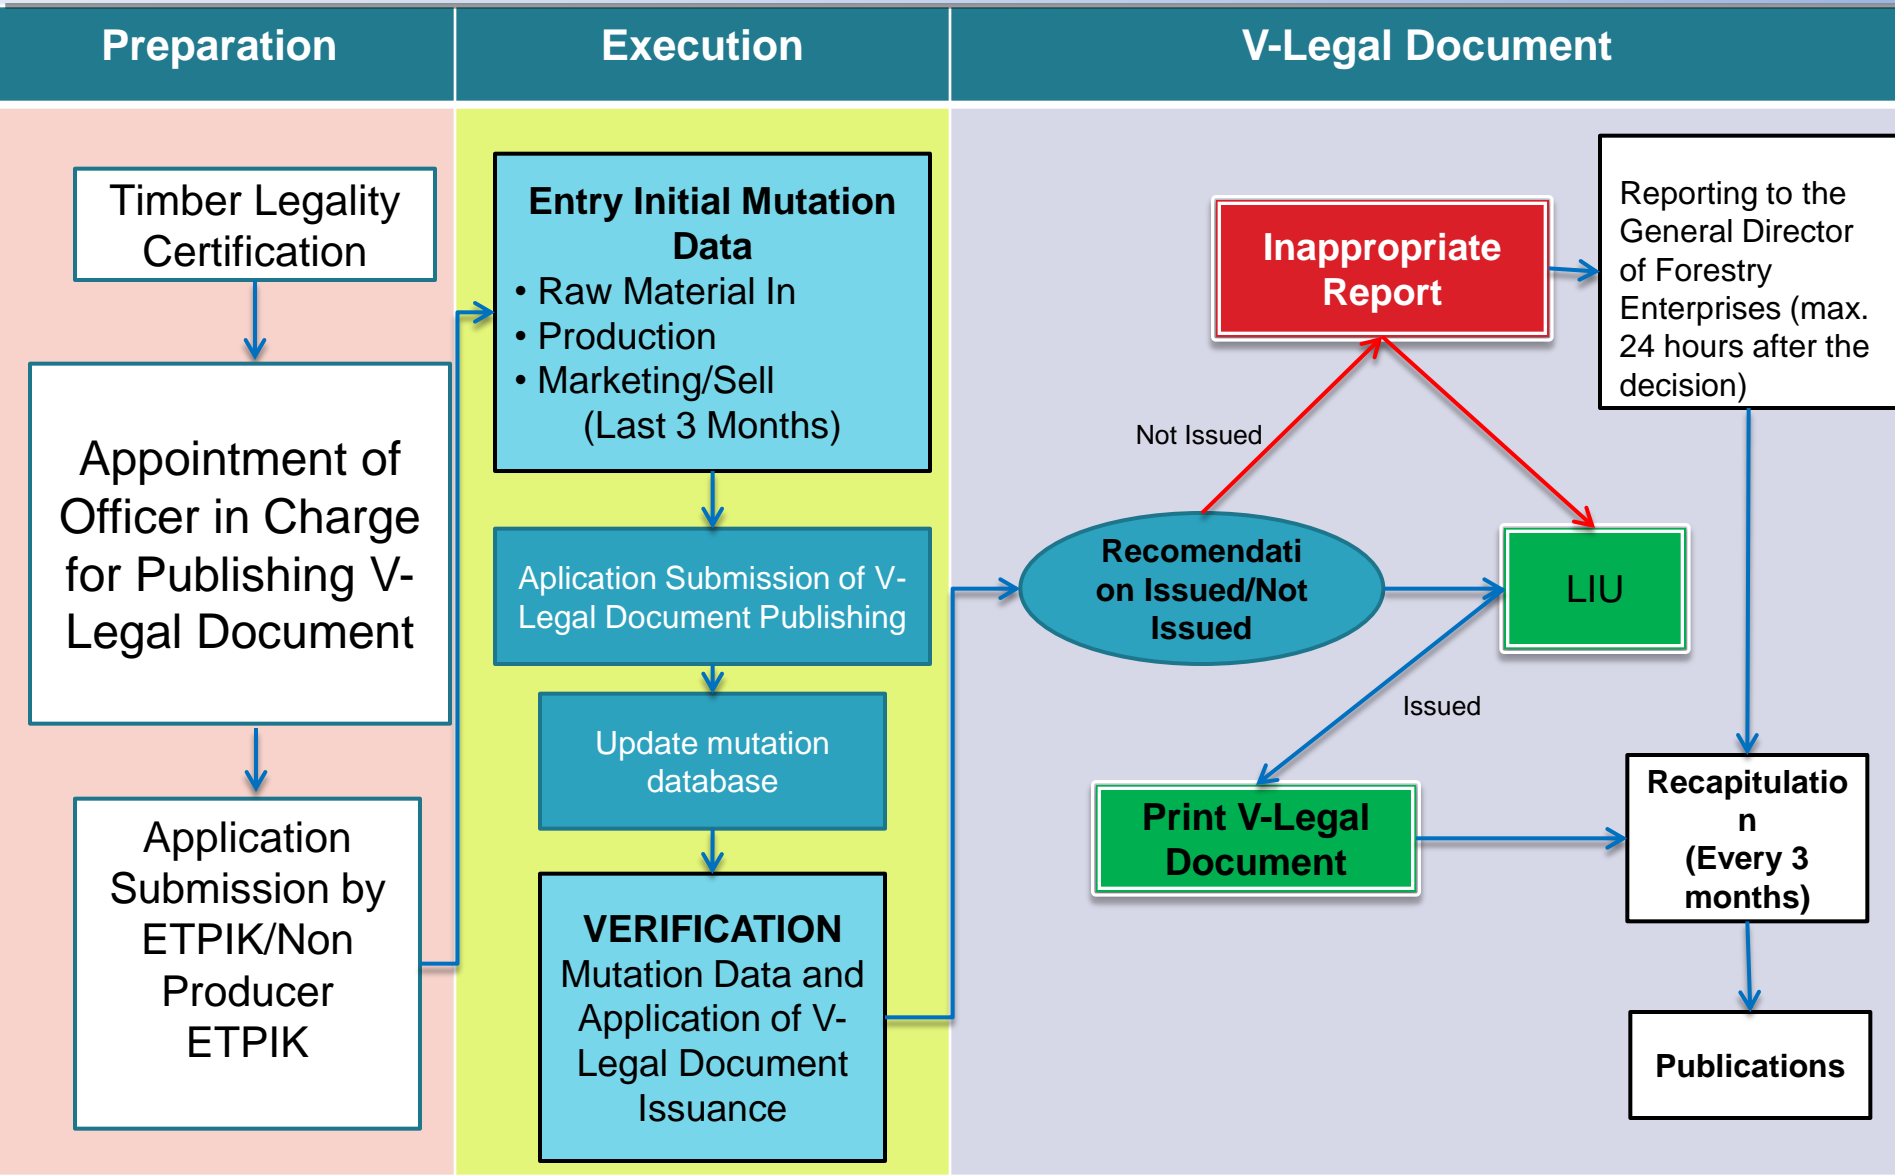

Preparation Execution Reporting

V-LEGAL DOCUMENT

- In addition to verify Wood Legality, LVLK has the authority to issue V-Legal Documents.
- V-Legal document is a document that stated, wood products exported has fulfilled timber legality verification standards in accordance with the provisions of Indonesia Republic Government.
- Same as with TLAS, V-Legal document publishing controlled by the Government and the Independent Monitor.

PROCESS OF V-LEGAL DOCUMENT ISSUANCE

Thank You
